## NEXT GENERATION TOURNAMENT

### Introduction

Euroleague Basketball and Adidas are pleased to announce the participation of the eight clubs that will compete for the 2018-19 Euroleague Basketball Adidas Next Generation Tournament Finals. The 17th annual U18 Finals, held in conjunction with the Turkish Airlines EuroLeague Final Four, runs from Thursday, 16 May to Sunday, 19 May, 2019 in Vitoria-Gasteiz, Spain. The final to crown Europe's junior champions will be contested at Fernando Buesa Arena, on the same court where some hours later the EuroLeague champion will be decided. The U18 Finals features four teams that secured their places via qualifiers held during the season, the reigning champion and three wildcards. The field includes four former champions, three regular participants and one team making its debut.

The newcomer is U18 Valencia Basket, which was a finalist in the first edition of the Qualifier played in Valencia. U18 Mega Bemax Belgrade will make its fourth U18 Finals appearance, while U18 Maccabi Teddy Tel Aviv returns after last competing at the 2008 Finals in Madrid. U18 Zalgiris Kaunas made it by winning the Kaunas qualifier; U18 Rytas Vilnius of Lithuania defended the current ANGT crown; U18 Crvena Zvezda mts Belgrade of Serbia qualified for ninth occasion; and U18 Real Madrid made it through by capturing twice in a row the Munich qualifier. U18 FC Bayern Munich from Germany will join them for the second time in their history.

As Adidas and Euroleague Basketball prepare to showcase a new generation of stars, the tournament's alumni club is becoming a who's who of European basketball superstars. Many players who participated in previous editions can be seen on Turkish Airlines EuroLeague and 7DAYS EuroCup rosters.

The group stages of the U18 Finals will be played from Thursday to Saturday at Polideportivo Mendizorrotza. The Championship Game is the traditional start to a fantastic Sunday at the Turkish Airlines EuroLeague Final Four. Fans have free admission to all games including the Championship Game at Fernando Buesa Arena, which gives a unique opportunity to those who do not have Final Four tickets to see the arena from the inside. The Euroleague Basketball Adidas Next Generation Tournament has featured 32 different teams this season in the challenge to become junior champs of Europe.

### Competition System

The eight participating teams were randomly drawn into two groups of four teams. Each team will play a total of three games against the opponents in its group. The first-place teams from the groups will play each other in the championship game.
